2016 Conservation Cropping Seminars

The Illinois Department of Agriculture is proud to continue the Illinois Conservation Cropping Seminars in 2016. The Conservation Cropping Seminars will consist of three one-day meetings located in Champaign (January 26th), Edwardsville (January 27th) and Milan (January 28th). This years planning committee consists of Illinois Department of Agriculture (Bureau of Land and Water); USDA NRCS; the Champaign, Madison, and Rock Island County Soil and Water Conservation Districts; American Farmland Trust; and the Illinois Stewardship Alliance, Illinois Council of Best Management Practices, Illinois Environmental Protection Agency.

Discussion topics at all meetings include:

- Soil Health Perspective
- Nutrient Efficiency
- Weed Management
- Strip-Till
- Water Quality
- Conservation Cropping Systems
- Cover Crops
- Networking

Tentative schedules start at 8:00 AM and conclude at 4:30 PM with a Speakers "Meet and Greet" social hour from 3:30 – 4:30 PM. Lunch is included. We will apply for CCA credits and will keep registrants informed.
