2020 Conservation Cropping Seminars

The Illinois Department of Agriculture is proud to continue the Illinois Conservation Cropping Seminars in 2020. The Conservation Cropping Seminars will consist of three one-day meetings located in Mt. Vernon (January 21), Bloomington (January 22) and Rochelle (January 23). This year's planning committee consists of Illinois Department of Agriculture (Bureau of Land and Water); USDA NRCS; Local County Soil and Water Conservation Districts; American Farmland Trust; and the Illinois Stewardship Alliance, Illinois Environmental Protection Agency.

Discussion topics at all meetings include:

- Soil Health Perspective
- Nutrient Efficiency
- Weed Management
- Strip-Till / No-Till
- Water Quality
- Conservation Cropping Systems
- Cover Crops
- Networking

Draft agendas for each site are posted on <http://www.ccswcd.com/ConservationCroppingSeminars/>

Tentative schedules start at 8:00 AM and conclude at 4:30 PM with a "Speakers Meet and Greet" social hour from 3:30 – 4:30 PM. Lunch is included. We will apply for CCA credits and will keep registrants informed.
