Invasive Species Control Workday June 11th

10:40am - 12:40pm

Location: Barnhart Prairie, meet at the Bluestem Hall at 1401 East Old Church Road, Urbana

- Tools and gloves provided
- Closed toed shoes and long pants are best!
- Snacks and water on site
- No prior knowledge necessary

We will primarily be removing invasive mulberry saplings using integrated methods including cutting, spraying, and pulling/digging.

Feel free to show up at any time, the group should be visible from the parking lot.
