

Champaign County
Soil & Water Conservation District

Spring 2017 Tree Sale

The Champaign County SWCD is taking orders for the Spring 2017 Tree Sale.

🌲 Orders will be accepted through **March 10, 2017**.

🌲 Pick-up will be **Friday, April 7th (7:30am – 4pm) or Saturday, April 8th (8am-11am)** at the Champaign County Fairgrounds.

This year, we have more options in our tree sale. We still have a wide variety of **bareroot** seedlings, and if you are interested in large quantities, please contact us; we will work to meet your needs. For the 3rd year, we will offer several **RPM tree and shrub** species from Forrest Keeling Nursery. RPM stands for Root Production Method; these species are grown in a unique growing medium and will come with unrivaled root mass. Our RPM stock will arrive as potted trees. **Evergreens in 1 gallon pots** will also be available again this year.

All plants that we offer are for conservation purposes.

Please contact us if you need assistance with plans for windbreaks or other conservation projects requiring trees or shrubs to plant. We can order species not on the list if you have need for a significant quantity.

Thank you.
