Section 22.02a of the Illinois Soil & Water Conservation District Law states as follows:

Sec 22.02a The Soil and Water Conservation District shall make all natural resource information available to the appropriate county agency or municipality in the promulgation of zoning, ordinances or variances. Any person who petitions any municipality or county agency in the district for variation, amendment, or other relief from that municipality's or county's zoning ordinance or who proposes to subdivide vacant or agricultural lands therein shall furnish a copy of such petition or proposal to the Soil & Water Conservation District. The Soil & Water Conservation District shall be given not more than 30 days from the time of receipt of the petition or proposal it issue its written opinion concerning the petition or proposal and submit the same to the appropriate county agency or municipality for further action. Added by act approved December 3, 1971

It is also understood that the petitioner (s) or their agent (s) give permission for a representative (s) of the Champaign County Soil and Water Conservation District to go on property or properties referred to in this petition, to make on-sight investigations as deemed necessary by the Champaign County Soil & Water Conservation District Board.

Important, process will not begin without the following:

- Plat of survey / site plan: with Section, Township & Range along with property measurements
- Site plan / concept plan: showing lot, streets, stormwater detention areas, etc.
- Check for appropriate fee

There shall be a fee assessed by the Champaign County Soil and Water Conservation District to cover the cost of the administration of this request.

The fee schedule is as follows:

One (1) acre or less -----\$150.00

Each additional acre or fractional acre -----\$5.00

i.e. (5.1 to 6.0 acres --- fee would equal \$175.00)
